To the Honorable Commissioners,

I will get straight to the point.

I am encouraging you to vote against the APS request to increase our monthly service charge.

First, APS has yet to make a case for why this is justified.

Second, being a small business owner, there are many other ways that I can spend my money that benefits my community and our state that would not likely be possible if there is such an increase in my utility expenses.

Thank you for taking the time to listen to my views,

Linda McNabb
